Our Camino in Numbers

With the support of our trusted network:

- + 65,000+ pilgrims guided
- + 45 countries
- + 7.250 accommodations
- + 2.300 service providers

Our dedication to excellence is shown in every detail, through trusted partners, quality service and the care you feel throughout your journey.

CAMINO DE SANTIAGO

The Camino de Santiago is one of the most meaningful pilgrimage routes in the world. Across more than twelve official paths, it invites you to discover the soul of Spain and Portugal, their culture, history, art, and natural beauty, while savoring the flavors of their renowned wine and gastronomy.

With the support of our experienced local partners, we design Camino de Santiago itineraries that combine comfort, culture and emotion in every journey. Each one includes:

Selected accommodations: the best lodging options chosen to ensure a restful stay in rooms with private bathrooms.

Meal plan: tackling the stages requires proper nutrition, which is why all itineraries include hearty breakfasts, with the option to include dinners or request a picnic.

Luggage transfer: we take care of moving your luggage from one stay to the next, so you can focus on enjoying your Camino.

Documentation and guides: receive complete materials with everything you need, including the official Camino guide and the pilgrim's handbook

24-hour emergency support: at CVR TRAVEL, we walk with you, which is why you'll have access to a 24-hour line to handle any unexpected situation.

Pilgrim's Credential: this is an essential part of your journey, allowing you to collect the stamps that certify your completion of the Camino.

Quality is at the heart of every journey we create. From start to finish, every detail is designed to offer comfort, authenticity and choice. Our selection of accommodations lets you experience the Camino in three unique ways:

Guesthouses

The best option for a perfect balance between quality and price, without giving up a private bathroom and central locations

Hotels and RURAL COTTAGES

The preferred choice for pilgrims seeking exceptional comfort in premium-quality accommodations.

CVR TRAVEL Selection

Boutique hotels, historic manors, Paradores, and a wide selection of exclusive accommodations for an unforgettable journey with the highest comfort.

Looking for something different?

If you want an adventure in hostels, or are looking for a mix of accommodations that lets you enjoy the best of each, request a tailor-made proposal and receive it instantly.

THE CAMINO TAILORED FOR YOU

If you're looking for something specific or a personalized quote, contact us and we'll create it with everything you need.
